# Romulus Schools Show Needs For New Millage

Voters are Asked  
To Ok Four Mills

McConeghy Cites Student  
Growth, Need of Teachers

BY HENRY CANTIN  
ANP Staff Writer

ROMULUS — Community interest and support for approval of a proposed Millage Proposition up for voter decision in the June 9 school election in Romulus is growing.

The Board of Education of Romulus Community Schools is asking the school district's electorate to approve an additional millage of four mills for one year (1970) for school operations.

Many of the township's community leaders, PTA organizations, civic and service groups have endorsed the millage request that adds \$4 for each \$1,000 of assessed property valuation, state equalized.

would be made relative to required additional programs and staff for the 1969-70 school year.

Robert L. McConeghy, school superintendent reports:

Due to the fact that the district is anticipating an additional 400 students, provisions must be made for their instruction. Projections indicate that fifteen (15) to twenty (20) regular classroom

## Romulus O.E.A. Club Entertained Bosses

ROMULUS-The Office Education Association (O.E.A.) Club of Romulus High School held their first annual Employer-Employee Banquet Tuesday, May 13, from 6:30 to 8:30 p.m.

The affair was held in the Romulette Room at Romulus Senior High School and the polynesian type food was prepared by the school's Commercial Food Department under the supervision of Oscar J. Butler and Mrs. Lucille Bender.

The Hawaiian theme was used in the decorations which were in charge of committee members Denise Kitchen, Marlene Ross and Martha Flora Diepenhorst.

Gerald Nault, High school principal, and Miss Barbara Cornell then handed out recognition certificates to each boss who then presented it to his Co-op. To conclude

THE GIRLS went Hawaiian all the way using posters, flowers, palm trees,

## WITHIN DECADE Metro Airport Schedules \$300 Million Expansion

ROMULUS — Within the next ten years, \$300 million will be spent in the continued expansion of Detroit Metropolitan Airport, members of a forum on the Future of Air Transportation were told Wednesday, May 29.

James M. Davey, managing director of the Wayne County Road Commission which operates the airport, told 200 members of the forum gathered at Metropolitan Airport that \$100 million of the total would be expanded by the airlines for their own field improvements.

FUTURE SPACEMEN — Three eighth grade science class students at Romulus Junior High undertook a balloon experiment as a class project May 6. It proved to be a successful experiment. Their balloons filled with natural gas with attached paper gondola housing a mouse were picked up at Maidstone, Ontario, Canada on May 7. Left to right are Robert Dwyer, Robert Ingram and John O'Dell.

### A MOUSE THAT FLEW

## His Balloon Re-Enters At Madistone, Ontario

ROMULUS — Did you ever wonder where a gas-filled balloon went when you let it go?

Three Romulus Junior High School boys, Robert Ingram, Robert Dwyer, and John O'Dell have one answer.

On May 6th they released two polyethylene garment bags filled with natural gas, both attached to a little paper gondola containing a mouse. Two days later they had a letter from Maidstone, Ontario, Canada, telling them that the balloon had been picked up by a Mr. Cowen of R.R. 2.

Mr. Cowen brought the rig

to the house where his daughter, Blair, looked in the gondola and found the baby mouse still okay.

Blair immediately wrote to Robert and announced the find.

Naturally all three boys are excited by the success of the venture which started out as a project in all eighth grade science class.

Blair Cowen stated in a P.S. to her letter that she has nine cats, one dog and a chicken and wants the boys to write and tell her something about themselves.

Clair Cowen's letter follows:

Hi:

My dad found the mouse in the balloon and brought it up to the house. We read your note and wondered about it. My brother didn't think there was anything in the little house. I looked in it and saw the little mouse. It was so cute. Well, all I ask is if you would write me a note back and tell me about yourself. Well I hope you will. Please. Bye for now.

Blair Cowen

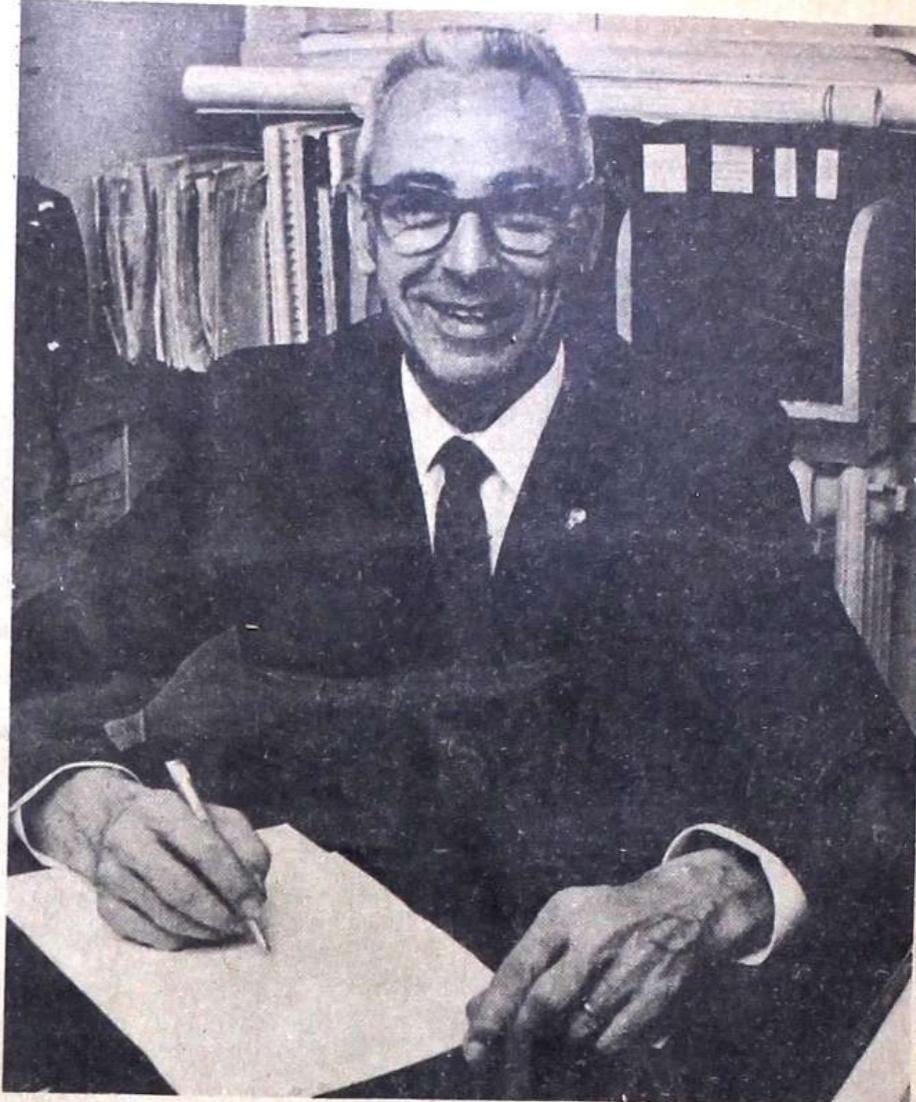

P.S.: Guess what? I have nine cats, one dog and one chicken.

Also of interest to local residents will be a display of the history of Romulus Township given by Mach's Florists.

NEW BOSTON ROTARY CLUB

NEW BOSTON ROTARY OFFICERS — The installation of new officers for the coming year for New Boston Rotary Club was held May 20. Pictured above (left to right) are: Luke Wegienka, secretary; Rene F. Campeau, treasurer; Edward Dulecki, president; Gene Rakotz, vice-president; Gerald Gomes, past president; and Donald Sochko, past treasurer.

ROMULUS' NEW SUPERVISOR-Roderick E. Smith, 54, officially assumed his township duties on May 20 following swearing-in ceremonies before the Township Board of Trustees. Smith, former township clerk, is shown at the Supervisor's desk vacant since last January when Edmund Bizek resigned to serve on the Wayne County Board of Supervisors. The Township Board promised full cooperation to Smith in carrying out his administrative responsibilities.

## Romulus Jaycees' Spring Festival to Open June 4

ROMULUS-The Romulus Jaycees' Spring Festival for 1969 will be held from June 4 through June 8. All area residents are cordially invited to take part in the festivities.

Chairman Larry Lindenmuth stated that the parade, which is scheduled to begin at 6:30 p.m. on Wednesday, June 4. The parade will start at the Wonder Bread Bakeries and it will follow Griddard Road to Five Points, then proceed to Northline Road and Huron River Drive.

Amusement rides will be operated by the Motor State Shows from Belleville.

\*\*\*

THE WEEK of many exciting rides and games will be highlighted by the display of an Apache Eagle Camping Trailer which will be raffled off following the festival.

Tickets for the raffle are being sold at the present time by local Jaycees and may be obtained at the festival.

On Saturday afternoon there will be a matinee for children featuring reduced prices on rides and a drawing for two bicycles.

There will also be Helicopter rides provided by Helicopter Airways Service, Inc. during the entire festival.

Also of interest to local residents will be a display of the history of Romulus Township given by Mach's Florists.

THE ROMULUS JAYCEES urge all area residents to attend their annual Spring Festival. Balloons and gum will be distributed free by the clowns during the parade. All profits are used by the Jaycees to carry on their many community service projects during the coming year.

### OVER MEMORIAL DAY

## Traffic Officials Issue Driving Plea

Area law enforcement officers and traffic officials joined in an united plea Monday for safe driving over the Memorial Day holidays.

each of the years 1967 and 1966.

\*\*\*

IF THE holiday toll is to be effectively reduced this year, Davids emphasized that motorists must be especially vigilant in obeying rules for safety in traffic.

He added that the continuing increases in vehicle registrations and travel mileage serve to keep the accident potential high in warm weather months.

The State Police patrols will begin at noon Thursday, May 29 and continue through to midnight Sunday, June 1.

District commanders have been advised to use their traffic safety officers.

## New Boston Rotary Club Installs Slate

NEW BOSTON — The New Boston Rotary Club held its annual Installation Banquet at the New Boston Methodist Church, Huron River Drive and Sibley Road, last Tuesday, May 20.

The club's new slate of officers are: Edward Dulecki, president; Gene Rakotz, vice-president; Luke Wegienka, secretary; Rene F. Campeau, treasurer; and Gerald Gomes, immediate past president.

The club had as its guests Huron High School senior who was selected to represent the Huron High School District for the "Willie" Heston Scholarship.

HE IS Alan Michling, who will compete with several of the representatives from the downriver and surrounding area school districts.

Alan was present to answer questions directed

from club members. He received a warm welcome from local Rotarians and good luck in his competition for the scholarship.

A "very interesting" presentation on Forestry Conservation by Lothar Konietzko, chief photographer for the Associated Newspapers, was a highlight of the evening's program.

Members heard and learned about the impure air and water problems which the public is confronted with today.

Lothar, a former Forest Ranger in Germany where he was born, gave a stimulating presentation. He expounded rather thoroughly on his theory and aired strong feelings on why our air is getting polluted.

A question and answer period on forest conservation was held afterwards.

## ELECT DIRECTORS PCHA Announces Appointments

WAYNE — New directors, new appointments, and new legislation occupied Peoples Community Hospital Authority's officials at the May meeting of the Board of Directors, held last Thursday, May 22.

New directors on the board include: John H. Barr, Dearborn Heights; William Gagnon, Ypsilanti Township; W.J. Jones, M.D., Allen Park; and John Metelski, Allen Park.

Because of the pressure of increasing duties on PCHA standing committee, Donald J. Pizzimenti, Board Chairman, appointed several new committee vice chairmen.

G. Yale Averill (Ypsilanti) was appointed vice chairman of the Planning and Construction Committee;

Women who have volunteered to serve as hostesses at the x-ray mobile unit to be stationed at the center between Willow and Judd Roads are:

From Huron Township: Mrs. Phyllis Tourangeau, Mrs. Evelyn Balog, Mrs. Danoswski, Mrs. Joyce Lambley and Mrs. Louise Otter, Mrs. Mary Lewis.

From Van Buren Township: Mrs. Frances Melick and Mrs. Judy Fruitt.

From Sumpter Township: Mrs. Louise Grimes, Mrs. PTA Fair Reported A Success

ROMULUS—In spite of the inclement weather the Mt. Pleasant P.T.A. reports that their first Fair, held at the Mt. Pleasant School on Saturday, May 10, was very successful. A total profit of \$385.05 was reported by publicity chairman Diana Gibbs.

The sponsors wish to thank all who helped in any way to make the fair a success; also those who pitched in throughout the year and gave their assistance to other P.T.A. projects.

It was announced at the last meeting that June 11 will be the date of the annual School Picnic. Hot dogs, chips and ice cream will be served.

A lifetime membership was presented to Mrs. Hildegard Regitz, one of four teachers in the system so honored. As Mrs. Judy Gruber, P.T.A. president stated, Mrs. Regitz helped put the "T" back into the local P.T.A.

Certificates were also given out to members for outstanding work throughout the 1968-69 school year.

## We Urge 'Yes' Vote On 17-Mill Renewal

Voters in the Wayne Community School District will go to the polls on Monday, June 9, to decide a 17 mill-renewal for operating and the fate of some 550 teachers, administrators and non-instructional staff persons. Should the millage be defeated, they will be looking for new jobs on June 10.

What some voters don't thoroughly understand is that legislative action in Lansing will come too late to "bail out" the school district for the coming year. Badly needed fiscal reform in support of public education is one of the major concerns of the lawmakers in the state capitol; however, new legislation in this field will not take effect in time to prevent drastic cuts in the educational program here if the millage proposition fails on June 9.

There have been 11 successful millage elections in the Wayne Community School District since 1952 as opposed to just three defeats. Prior to 1952, the last defeat of a millage proposition here was recorded way back in 1924. In all four of the millage defeats, voters later decided in favor of the propositions at subsequent elections but such a course is not open to the school district's voters this year.

The success of past millage elections in the Wayne Community School District has enabled the local administrators to virtually complete its building program at a time when labor costs and materials were considerably less expensive than they are in today's market.

John Glenn High School was opened here in the fall of 1964 and cost five and one-quarter million dollars to build. A smaller high school is now under construction in one of the neighboring school districts at a cost of ten million dollars.

## State Liquor Practice Hurts Western Wayne

Relief provided by the government to businessmen wiped out in the 1967 Detroit riot may be the root causes for some of the perplexing and frustrating problems facing local communities.

As these businesses in some cases have been allowed special privileges by the state in order to assist them in getting back on their feet again, a particular problem has confronted suburban communities.

Letting a liquor store owner sell his SDD license to another businessman to transfer into another community is one of these problems. The SDD License is approved by the State Liquor Control Commission and local communities have no influence in the action regardless of what the local situation may be.

Permitting liquor stores to relocate from out of the old riot area into the suburbs which in most cases are well populated with such businesses already poses a problem for local officials.

Helping the riot victims is a laudable and just cause but officials in Lansing and in Washington should also consider the fact that when these businesses are transplanted into the suburbs the possibility exists that other businesses will be hurt.

It's more than just a case of hurting existing businesses in the outlying communities, since the sale of liquor to minors and illegal Sunday sales practices seem to crop up mostly in areas where liquor stores abound and competition is necessarily keen.

Should the Michigan State Liquor Control Commission approve the transfer of a liquor license into a community at a location where another existing business is located just one block away, as happened only last week in Wayne?

Of course the state, since it is in the business of selling liquor, is interested in getting as many dealerships established as possible in order to increase their revenue from this most lucrative product.

Excellent support from local taxpayers over the years has allowed for the development of a fine educational program here. We have one of the largest school districts in the state and will continue to experience steady growth in the years ahead.

With the greatest share of its building program completed, the district is in an enviable position compared to many others around the state.

Operational funds are another matter. Unless local taxpayers can once again come to the support of the school district, half-day sessions will have to be instituted for our students and our fine educational program will have to be cut back with far-reaching affects.

The economic impact of a millage defeat at this time will affect the communities within the Wayne Community School District as never before with nearly one-third of the District's 1,800 employees out of work. Most of these employees live in the district and contribute substantially to the local economy. They will be faced with finding new jobs elsewhere this fall.

Since approximately 75 percent of the school district's total budget goes towards salaries, the only way four and one-quarter million dollars (the expected revenue from a 17-mill levy) can be cut from the budget is by laying off personnel.

Voters in the Wayne Community School District have an opportunity on June 9 to endorse and support the educational program in our schools. We hope there are enough "yes" votes at the polls to allow the continuation of the present level of standards without a damaging and irreparable loss for our young people.

Keeping all of the control over the number and location of liquor stores in state hands is creating serious problems for local communities and we feel strongly that this is arbitrary and unfair to our young people.

### REFLECTIONS

## Oh, Those Depression Days!

A couple of days ago I was interviewing a successful businessman who was reminiscing about how things were when he opened his first business in the early thirties. And how young people of today had no conception of how it was.

I remember...oh, how I remember...and I haven't got a kid that believes me.

They don't believe that if it hadn't been for "Old Jim Brown", their mother would have been a hungry kid.

"Old Jim Brown" owed my father a fairly substantial bit of money. When the depression hit, he reneged on his debt, even while continuing to live high. But my dad was a smart man...and a very good poker player. And "Old Jim Brown" was a sucker for poker.

One day my mother opened up the cupboard doors and discovered the only edible thing on the shelves was a jar of dill pickles. My dad, who was kind of hungry, leaned against the kitchen sink, and said, "Well, I guess I'd better go uptown and bump into "Old Jim Brown."

And bump into "Old Jim Brown" he did. The poker winnings got us a beefsteak supper with plenty of vitamins.

## Colleges Need War Veterans

By Jim Fitzgerald

I know how to end all the foolishness on our college campuses. But first we have to bring the troops home from Vietnam.

As you can see, I am herewith going to solve two tremendous problems which have long stumped the best minds in the nation. Isn't it amazing that you paid only 10 or 15 cents for this newspaper? You big spenders should buy two and send one to President Nixon.

First, let's deal with Vietnam. All the U.S. has to do is say, "hurray, we won" and get out. Sure, nobody is going to be fooled. But when we finally do cease fire, in six months or six years, nobody is going to believe whatever phony reason Washington gives then, either. The marvelous difference is that, using my brand of phoniness, 600 or 6,000 or 60,000 young men will not bleed their last drop into the Vietnam mud.

Sure, I know the dominos are supposed to fall Red as the U.S. retreats. I doubt it but, if so, so what? Do you think the average Vietnam citizen will be worse off without U.S. troops shooting? When you have been hungry and homeless and caught in a stupid crossfire all your life, it is hard to imagine that tomorrow is going to be worse. What could happen, the sun fall on the chicken coop?

### A WORD FITLY SPOKEN

## From the Mouths of Babes

By Jim Bradley

Many Americans are concerned about "Big Brother" watching over us, but now a new threat is apparent. "Little Brother."

That's right, little brother. Now you may wonder what in the world this column is going to be about, but that puts us in the same boat. Nothing like starting out even, I always say.

I was walking down the hallway of a school recently and saw some unartistic drawings crayoned unevenly on large manila paper and taped to the wall. The kindergarten class had drawn pictures of what they thought their mothers liked to do best and that's what the large title read at the top. "What Mother Likes To Do Most."

Some of the children's comments were so engrossing I stopped, took out my pencil and paper, and jotted them down for posterity. The funny drawings linked with the kids' thoughts were hilarious, and something might be lost in the translation.

But here goes anyway.

I'll jot down the child's scribbled comment, then in parenthesis I'll add the thoughts that came to mind.

The first ones were common enough, like: "Watch TV," "cooking," "iron," and "wash the floor." Then things got interesting.

A boy drew a representation of a mother and a round orange ball with the words: "Looking at the sun." (Sounds exciting, doesn't it? That's what she likes to do most, look at the sun.)

(Then again, maybe she's just an average mother who's trying to get away from it all!)

(Bob Barker would ask her where she would like to go. She'd smile shyly and probably: "Well, I have this thing about getting stuck on the roof. Do you suppose I could be sent to the Empire State building and get stranded on top of it. That would be my highest goal. It does sound a little odd.")

(In bed sleeping, while I'm watching TV. (Sounds like Saturday morning in America.)

Probably the comment that stirred me the most was the last one. It read: "Getting stuck on the roof." (Now I know mothers have their diversions just like everyone else. But getting stuck on the roof? This is what she likes to do most! Can't you imagine her being on "Truth or Consequences" and winning a big trip someplace?)

(Bob Barker would ask her where she would like to go. She'd smile shyly and probably: "Well, I have this thing about getting stuck on the roof. Do you suppose I could be sent to the Empire State building and get stranded on top of it. That would be my highest goal. It does sound a little odd.")

(In bed sleeping, while I'm watching TV. (Sounds like Saturday morning in America.)

Chances are the new Chief Justice will not be dramatic, either. The Supreme Court of Chief Justice Earl Warren was, indeed, dramatic at times, which is certainly one of the reasons so much opposition to its rulings now exists. Justice Burger is likely to be less colorful--because that is what President Nixon and many of the American people want.

But it is wise to sound a note of caution to all Americans. While the trend of the Burger Court will be toward a slowing of the massive changes experienced in the law in recent times, there is no reason for any of us to believe that the law will suddenly reverse itself, with today's wrongs becoming tomorrow's rights.

Certainly this must have been obvious, even this week, as we saw the Court dismiss the case against LSD-prophet Dr. Timothy Leary on grounds that a federal law against marijuana violated Leary's constitutional right to avoid self-incrimination. The legal point is a very fine one, which took much study and long debate by attorneys for both sides.

The significance of the decision was that it was rendered by an 8-0 vote. Writing the opinion on behalf of the entire court was Justice John Harlan, one of the Court's most conservative members and one of the senior members of the high bench.

The reaction was predictable. Many of us, not familiar with the laws which these eight justices must uphold, treated the outcome as a move in favor of Dr. Leary himself. Those of us who saw Leary as a bad influence in our society found it hard to understand how the Court could allow him to "get away with it."

But we must remember that it was the job of the Supreme Court to rule on the rightness of the law that was being challenged by Dr. Leary. If the law is not right, it is not right for anyone, and that includes Dr. Leary, as disgusting as we might feel he is.

It was particularly appalling last year to see Senator Robert Griffin encourage the anti-Justice Fortas forces with displays of pornography, which, Griffin implied, were to be laid on the doorstep of the Supreme Court, which ruled that almost nothing is pornography.

We'll say it again, if you like: Freedom of speech is freedom for the speech we hate as well as for the speech we love.

So, don't expect Justice Burger to walk into the Supreme Court like a conquering hero and being overturning decisions as if Rome were being sacked. He simply won't do it.

The law is a hallowed institution that has kept America proceeding on a near-perfect course for almost two centuries. That is a record almost untouchable in history. But the law is alive, and it is not living in Argentina, but in the Supreme Court and every other court in the nation.

We must understand, as Justice Burger certainly knows, that the law is the key to the nation's stability--the rock to which the ship of state is moored in the storm.

protest must be peaceful in that it does not interfere with the rights of others--to get an education or to get across the street. When the protesters break laws, they should be prepared and willing to pay the penalty, a la Martin Luther. They shouldn't holler for amnesty while still wiping the blood from their hands. A lot of dumb laws are breaking. But a lot of dummies are breaking any old law just for kicks.

A major point in my plan is that black men are fighting much more than their share of the war in Vietnam. This would mean a lot of black veterans on the campuses. They could plant some convincing combat boots into the fannies of their Negro brothers who don't realize that, just because it is immensely more justified, black racism doesn't make any more sense than white racism. And a bomb in the Literature Building is as senseless as a bomb in Saigon.

It is a minority of students who are making battlefields of our campuses. But the majority are sitting around watching. Veterans of bloodier battlefields could spur that majority to laugh-or throw-the silly kids out of the dean's office and back into class.

Then a guy could get down to peaceful studying, beering and wenching.

## High Court A Living Thing

By Dick McKnight

The democratic, constitutional process moved slowly and irresistibly onward this week with the naming of a new Chief Justice of the Supreme Court of the United States.

The man whose name the highest court in the land may now carry is Warren Burger, a judge of the Second Circuit Court of Appeals of the United States, which is the farm club of the Supreme Court big leagues. In going to that court for the next Chief Justice, President Richard M. Nixon did a quite natural thing giving Justice Burger a crack at the big time.

Nonetheless it is natural for most of us to wonder about a man many never heard of before who has suddenly burst upon the national scene in a role that is perhaps as powerful as any our constitution has created. It is a position powerful in the thought processes of America. Its power is far-reaching and basic, but seldom dramatic.

Chances are the new Chief Justice will not be dramatic, either. The Supreme Court of Chief Justice Earl Warren was, indeed, dramatic at times, which is certainly one of the reasons so much opposition to its rulings now exists. Justice Burger is likely to be less colorful--because that is what President Nixon and many of the American people want.

But it is wise to sound a note of caution to all Americans. While the trend of the Burger Court will be toward a slowing of the massive changes experienced in the law in recent times, there is no reason for any of us to believe that the law will suddenly reverse itself, with today's wrongs becoming tomorrow's rights.

Certainly this must have been obvious, even this week, as we saw the Court dismiss the case against LSD-prophet Dr. Timothy Leary on grounds that a federal law against marijuana violated Leary's constitutional right to avoid self-incrimination. The legal point is a very fine one, which took much study and long debate by attorneys for both sides.

The significance of the decision was that it was rendered by an 8-0 vote. Writing the opinion on behalf of the entire court was Justice John Harlan, one of the Court's most conservative members and one of the senior members of the high bench.

The reaction was predictable. Many of us, not familiar with the laws which these eight justices must uphold, treated the outcome as a move in favor of Dr. Leary himself. Those of us who saw Leary as a bad influence in our society found it hard to understand how the Court could allow him to "get away with it."

But we must remember that it was the job of the Supreme Court to rule on the rightness of the law that was being challenged by Dr. Leary. If the law is not right, it is not right for anyone, and that includes Dr. Leary, as disgusting as we might feel he is.

It was particularly appalling last year to see Senator Robert Griffin encourage the anti-Justice Fortas forces with displays of pornography, which, Griffin implied, were to be laid on the doorstep of the Supreme Court, which ruled that almost nothing is pornography.

We'll say it again, if you like: Freedom of speech is freedom for the speech we hate as well as for the speech we love.

So, don't expect Justice Burger to walk into the Supreme Court like a conquering hero and being overturning decisions as if Rome were being sacked. He simply won't do it.

The law is a hallowed institution that has kept America proceeding on a near-perfect course for almost two centuries. That is a record almost untouchable in history. But the law is alive, and it is not living in Argentina, but in the Supreme Court and every other court in the nation.

We must understand, as Justice Burger certainly knows, that the law is the key to the nation's stability--the rock to which the ship of state is moored in the storm.

## Gun Shop Break-in Probed

ROMULUS—A break-in at a Romulus Township gun store where 15 guns including 13 handguns were stolen is under investigation by the Wayne County Sheriff's Road Patrol detectives and Romulus police officers.

Edward Meyer, owner of Ed's Gun Shop, located at 11125 Hannan Road, reported to police that he saw a man run from his shop which is next to his home when he was awakened by his barking dog.

Police reported that the burglar used masking tape to muffle the sound of breaking glass in gaining entrance into the shop.

The handguns taken were of foreign manufacture but could fire standard American-made ammunition, police said. An automatic rifle and 20-gauge shotgun were also taken in the burglary. The guns were valued at over \$500.

## Toppers Citation Presented

ROMULUS—A Topper's Club Citation from the Detroit Area Boy Scouts of America, District Council, was presented to Alfred J. Perry, team captain for the Sustaining Membership Enrollment of the Huron District.

The coveted citation is given to area leaders upon topping their set goals in annual sustaining membership drives. It was presented to Perry for team leadership by Donald L. Nelson, district executive officer for the Boy Scouts. Romulus goal was \$650.

Other members of the team include Leo M. Kalota, second vice-president of Manufacturers National Bank, Romulus Branch; Alton Laverack, Emery Seestedt and Richard Mach.

Scotland's season for trout fishing is from March 15 to Oct. 6.

## Poetry Corner

**Editor's Note** — The following poems about litter were submitted by students of Edgemont Elementary School's fifth grade. We thought that you would like to enjoy the thinking of some of our youngsters.

### LITTER

I am a can in the gutter  
And my label is all a flutter.  
I was a can of peas,  
I'll tell you the history of me.  
I was picked by a farmer named Dan  
Then later I was put in a can.  
They took me to the store  
And pretty soon I got bored.  
It was a hot summer day  
When a lady came and took me away.  
She put me on a shelf  
I wasn't there all by myself  
I was put in a thing of blue  
Then I knew I was made into stew.  
But, wait, what happened to my can?  
It was thrown outside by a girl named Jan.  
Then off came the label  
It was blown down a street called Mabel.  
And the can just laid in the gutter  
While my label was all a flutter!

That's how litter get's around  
If you see litter put it in a basket  
That's where it's bound!

By Teresa Worra

I am a piece of litter,  
My story is true and sad  
It tells how I was treated  
And boy, does it make me mad.

I was made in a great big factory  
Big and square and white  
They put me in a big brown box  
And sent me out that night.

Next day a little girl bought me  
While I was still brand new.  
She took me home that very day  
And put me in something blue.

The next day in anger, she tore me up  
And threw me on the floor  
Her little brother came in from play  
And the wind blew me out the door.

Since then I've been known as Litter  
Traveling from street to street  
I've suffered through the winter's cold  
And through the summer's heat

So if you ever see me  
Pick me up and throw me away  
And then I won't be traveling  
The streets from day to day.

## Student Injured By Auto

BELLEVILLE—A Belleville High School student was injured on her way to school Monday morning and has been admitted into the Wayne County General Hospital for treatment.

She is Paula Wolfe, 16, of 199 North Edgemont, a tenth grade student.

Wayne County Road Patrol deputies reported that Paula was injured by a car driven by Robert Brooks, 18, of 878 East Huron River Drive, who was traveling west on Huron River Drive. The accident happened near Edgemont.

Deputies stated that Brooks reported that the girl ran into the path of his car. He was not held.

Other witnesses, according to police report, stated that Paula who was walking on the road ran into the path of the car.

## Lack of American Hayti PTA Flag Display Hit Joins Aid For Millage

### TO THE EDITOR:

For three weeks our Belleville Enterprise Newspaper had an article on our Memorial Day Parade.

Much time and effort was spent to put on such an impressive parade. Many, many local people and Veterans from Detroit, Dearborn, Wyandotte and our local Veterans participated.

Our Veterans took time out to honor a former City merchant Mr. Fielder.

But what about our merchants still living? What a shame, not even one American Flag was displayed on Main Street Sunday, May 25th.

Surely you could have taken out that much time to display Our flag that these veterans fought to save.

A Veterans Wife

### TO THE EDITOR:

On behalf of Cub Pack 1071, I would like to express our appreciation to the Veterans of Foreign Wars, Post No. 4434 and to the Polish Legion of American Veterans Post No. 167 for the effort they put forth in making this years Memorial Day Parade such a success.

In addition to supplying refreshments for the parade participants, we were treated to some rousing music by the band.

The Tournament of Roses parade in Pasadena, Calif. New Year's day 1970 will feature a theme of "Holidays Around The World."

ROMULUS—Working in cooperation with other units in Romulus Township, the Hayti School's PTA executive board voted to purchase, prepare and deliver to the high school, all food for the lunch to be served to the band members and Junior High supporters who will be marching for Millage on June 9.

PTA president, Eva McDonald, estimated that the cost would be near \$100 with the PTA ladies preparing the food.

The menu will be simple; hot dogs, pop and chips, said Mrs. McDonald, all food that can be eaten easily.

Other Hayti supporters, Mr. and Mrs. Gordon Zavitz, are working on yard and car top signs to remind voters of the importance of the millage.

## Family Fêtes Charles Bunyeas On 35th Anniversary

An open house celebration Sunday, May 18, marked the 35th wedding anniversary of Mr. and Mrs. Charles Bunyea, of 48800 Hull Road, Belleville. Given by their children, the party was attended by some 125 friends and relatives including Mrs. Bunyea's mother, Mrs. Emma Gorlitz, of Belleville.

The two-till-five event was hosted by the couple's four children, Mrs. Carolyn Weidmeyer, of Taylor; Mrs. Florence Glosson, who came from Ashdown, Arkansas; Charles Bunyea, of Inkster; and Rebecca Bunyea, of Belleville.

For the happy occasion Mrs. Bunyea donned a blue brocade dress, the same color she wore on her wedding day May 26, 1934, in Detroit. Mr. Bunyea, a native of the Belleville area, had a white rose boutonniere in his lapel and his wife added a corsage of yellow baby roses to her outfit.

## Elda Bohl Is Named President

The spring meeting of the Belleville-Washtenaw School Food Service Association was held at Belleville High School Wednesday, May 14, with 80 members attending.

The dinner was an international buffet and many were dressed in the costume of their favorite countries.

Election of officers resulted in Elda Bohl president; Harriet Walters, vice-president; Verdys Shephard, secretary; and Eldean Van Valkenburg, treasurer.

An interesting program followed as James Egan showed slides and narrated his trip to Mexico.

### Romulus Senior Citizens

Those selected to formulate a new set of by-laws met May 16 at the home of Henry Harris, of Bibbins Street. Present were Mrs. Viola Harris, Mrs. Bertha Leonard, Mrs. Maud Malone, Mrs. Celeste Fisher, and Mrs. Josephine Cooper. Mrs. Cooper had prepared such an excellent set of by-laws that they were accepted, almost in their entirety.

The Club is grateful to her for the time and effort that went into her preparation. Mrs. Leona Love sent in some very good suggestions and we thank her, too.

The pot-luck dinner of May 20 had Mrs. Mary Pickett as a guest. She visits the Club each year and comes from Greensburg, Pa. She is a personal friend of Mrs. Bertha Leonard and we wish she could be with us permanently.

Mrs. Emilie Bloom sent a card to Mrs. Coates who just came home from the hospital. We want her to know we think of her and hope she remains well. A card was sent to the James McCain family congratulating them on the arrival of a 7 lb - 9 oz. baby boy named Michael. Mr. McCain was the former director of the Club.

Mrs. Feanne Fernandez, of 5840 Fourth St., Wayne, is our new program organizer. Her telephone number is 729-0217. The Club welcomes Mrs. Fernandez and hope she enjoys working with the members.

Anyone wishing to be put on the mailing list of the bi-monthly newsletter put out by the Michigan Commission on Aging, 1101 S. Washington, Lansing, Mich. 48913, may request it from the editor, Mrs. Eileen M. Courier, at the above address. This very informative paper is free and has value for the elderly.

It was requested that each member write down two things to do or have the club accomplish and bring them in for the June 3 meeting.

At this business meeting, the Club will decide on a trip to be taken in the very near future. The new by-laws will be ready and a membership drive will be launched, headed by Ira Cooper and supported by all members of the Club.

### Conversation Starters

Bill and Dick Hook

One of every three wives in the U.S. holds a job outside the home. The majority of women who choose to work in the labor market rather than the home market do so because they want to. One characteristic of women who want to work is that their responsibilities as mothers and wives change through the life cycle. Taking up work outside the house is generally considered a good way for a woman to adjust to the various shifts in her role. Studies indicate that both husband and wife experience less tension and more sociability if the wife is doing what she wants to do.

## Belleville High Choir Is Host At Banquet

The Belleville High School Concert Choir played host at a banquet Monday evening, May 19, in the high school cafeteria. Some 160 choir members and their parents attended the buffet dinner which had Mr. and Mrs. Ralph Joseph (she's director of the high school orchestra) and Principal John Ford as special guests.

Prior to dining the group stood as choir members sang the invocation by Bach.

A surprise feature of the evening was choir director Keith Drayton singing three numbers from his summer stock role as Curley in "Oklahoma." Wearing his costume from the musical (cowboy hat, neckerchief, levis, and boots) he sang "Beautiful Morning," and "Surrey with the Fringe on Top."

HE THEN INTRODUCED the graduating seniors: Pam Akans, Nancy Brown, Mary Clapp, Becky Eichold, Kay Vandecar, Patty Wood, Loren Bennett, Rick Emerson, Larry Hammond, Bill Hewitt, Harry Hutchinson, David Kingsley, and Phil Neir and presented each with a gift.

He also paid special tribute to Loren Bennett and Ann

Mr. Drayton closed with thank you's to his students, all the parents, Mrs. Helen Joseph, and to his wife.

### BRIDE-ELECT FETED

NORA GRIFFIN, who will be the June 6 bride of Leroy Pearce, was honored guest at a recent bridal shower. Held at St. Anthony's School hall, the party was attended by some 50 friends and relatives who enjoyed playing bingo for prizes.

The door prize, determined by a drawing for numbers on tiny parasol lapel ornaments, went to Gerry Hampton.

Hostesses at the miscellaneous event were the bride's future attendants, her sister, Mary; Denise Rouster, Mary Pearce, and Christine Hoeft.

The foursome used the bridal color scheme of pale blue and gold for their decorative plans which included a canopy of streamers, wedding bells, and a wishing well centerpiece.

Guests, seated at tables centered with floral arrangements, found little white basket favors with tiny wedding bands tied in blue ribbon at their places as they were served cake, ice cream, coffee and punch.

St. Anthony's will be the scene of the young couple's wedding.

### OFF TO GUAM

MRS. ROBERT Gregory, of 375 Brain Street, left Wednesday morning, May 14, for a 10,000 mile journey to join her husband on the Island of Guam in the Mariana group. Stops were made in San Francisco, Honolulu, and Tokyo before the Pan Am clipper set down at Agana, Guam 27 hours after leaving Detroit Metro.

Bob and Nora were married April 12 and had a short honeymoon in southern Michigan before he left for his communications assignment with the U.S. Navy on Guam April 26.

Bob made several contacts with his wife and parents, the Park Gregories, by amateur radio concerning living arrangements before sending for his wife. In a radio contact the day before her departure, he explained that a small apartment with air-conditioning and paid utilities had been secured for \$100 a month which is most unusual for the open market in housing in Agana.

Bob and Nora are friends of Larry and Elaine Lockwood, of Belleville, who are also on Guam on a civilian teaching assignment.

The Gregories expect to remain on Guam for two years when Bob completes his tour of duty with the Navy.

### TO TORONTO

TORONTO WAS the recent destination for Kal Rekshan, of North Shore Drive, and Majorie Jahr, of Harmony Lane. Having received an invitation to the 75th Anniversary of Toronto General Hospital (where Kal received her R.N. degree), the pair headed for Ontario for a six-day respite. They spent a night enroute in St. Thomas (Kal's home town) and repeated the stop on the way home.

In Toronto they were among the 1400 women attending the anniversary banquet at the Royal York Hotel (their headquarters).

### TRIO ENTERTAINS

THE BONANNI SISTERS--Sharon, 13, Diane, 11, and Linda, 8, were asked to entertain Saturday, May 17, at the 150th birthday celebration of Oddfellows in the United States. The event was held at the I.O.O.F. Hall, Belleville, with about 60 in attendance.

The girls brought their accordions and played a number of pieces for the group including a polka, "Cotton Candy", written by their mother, Carolyn Bonanni. During their Irish medley, the audience was asked to "sing along" if they wished. Also in their repertoire were "Love is Blue", "A Taste of Honey", and a French medley.

Changing the tempo, the trio swung into the "Accordion Boogie" then switched again for "Lara's Theme from Dr. Zhivago". They closed their act with everyone singing the "Beer Barrel Polka."

The girls are the daughters of the Fred Bonannis, of Wilmot Road, Belleville.

THE ASSOCIATED NEWSPAPERS—

MR. AND MRS. LARRY D. COLEMAN

**Coleman-Hesse Nuptials Read At Denton Church**

In an early spring wedding at Faith United Methodist Church in Denton, Linda Jean Hesse became the bride of Larry D. Coleman. The bride's uncle, Rev. Harold Brown, came from Browndeer, Wisconsin to preside at the wedding along with the Rev. Clive Dickins of Denton.

About 150 friends and relatives saw Linda approach her waiting bridegroom. Given in marriage by her father, she was gowned in satin with an overlay of lace. The fitted bodice was fashioned with wristpoint sleeves and Sabrina neckline with a chapel train drifting from the shoulders. Her illusion veil, cut in mid-back length, was enhanced with lace medallions and was held by a petal headpiece of lace and seed pearls. A cascade bouquet of daisy mums and white orchids completed her bridal ensemble.

\*\*\*

FOR THE single ring nuptials, Mrs. Kay Gardner was at the organ to accompany Mrs. Harold Brown, aunt of the bride, who sang "O Perfect Love" and "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. Russell Hesse, of 5500 Denton Road, Belleville. Parents of the bridegroom are Carmon Coleman, of Detroit, and Mrs. Evelyn Coleman, of 140 Ford Boulevard, Ypsilanti.

As her sister's maid of honor, Sharon Hesse donned a pale green dotted Swiss frock and carried an

arrangement of daisy mums. Bridesmaids in identical dresses of yellow dotted Swiss with matching veils, were Sandra Saliotti and Judy Huber, both friends from Belleville.

Jerry Cotner, of Ypsilanti, was asked to serve as best man. Ushers were Gene Moss and a cousin of the bridegroom, Larry Coleman, both from Ypsilanti.

**GREEN-POINTE  
Eighth Birthday Surprise**BY FLORA KROPAT  
941-3621

Saturday morning while Tracie Minter was visiting with friends at their home, preparations were being made for a surprise eighth birthday party.

Upon arriving home and expecting her mother and grandparents for a small birthday get-together, she was greeted by 10 of her friends along with her grandparents.

She was so surprised and happy that it brought tears to her eyes. An extra surprise was three cousins from Illinois.

Later on refreshments were served. There was a huge birthday cake which read "Happy Birthday Tracie," served with ice cream and kool-aid.

Tracie then opened her many gifts and thanked her many friends for coming and making it such a happy day for her.

Mrs. Martine Davidson, of Emerald Green Estates, while mowing the lawn and trying to remove a few grass clippings from the side of her lawn mower, accidentally caught her finger in the machine. She was taken to Wayne County General Hospital where she was treated for minor cuts and released. Luckily she was not injured seriously. We want to wish her a speedy recovery.

\*\*\*

On April 24, at 11:51 A.M. a baby girl was born weighing 6 lbs. 7 ozs. to Mr. and Mrs. Charles Ozment, of Emerald Green Estates. Charlene Lisa was the name given to the baby. This is the sixth girl for the Ozments. Charlene Lisa was brought home on the 27th, the same day as her older sister's birthday. So this was a double happy day at the Ozments.

**SHOWERS FOR NANCY**

NANCY KAULITZ, who has been caught up in the whirlwind of pre-nuptial activities, took time out from a busy schedule (which includes teaching classes in the Warren Woods School District) to just relax and be the honoree at a bridal shower.

And so it was off to Grand Rapids Sunday, May 18, for a party given by her aunt, Mrs. Donald Langworthy, (at whose wedding Nancy was flowergirl some 20 years back.) Tagging her invitations "crystal", Mrs. L. also asked each lady to bring a hat trimmed with kitchen utensils. Their hobbies, who were also invited were to bring some item of barbecue equipment for that oft-forgotten bridegroom-to-be.

The social afternoon was attended by about 20 of Nancy's aunts, uncles, and cousins. Also enjoying the festivities were her grandparents, the H.W. Kaulitz, of Lansing, and her parents, the Dale Kaulitz, of Harmony Lane, who drove up for the day.

\*\*\*

A SECOND SHOWER in Nancy's honor was given Sunday at the 24-Karat Club on Telegraph Road. Some 38 guests, answering the "miscellaneous" invitations, arrived from Chicago, Cleveland, Rochester, and Grand Rapids for the afternoon festivities.

Hostesses were Mrs. John Piet, Mrs. Abe Farris, Mrs. George Farris, Sr., and Mrs. Phillip Farris. Guests sat at tables appointed with vases of permanent flower arrangements which were later given as door prizes. The head table was beautifully decorated with lilacs, tulips, and bridal wreath.

A luncheon of Maurice salad, hot rolls, cake and coffee was served after a social afternoon. The special sheet cake was accented with daisies to carry out the floral theme of the wedding.

When Nancy opened the many gifts for her future home, she was assisted by her fiance's sister, Marsha Farris, and her younger sister, Carol, who with her mother, Mrs. Dale Kaulitz, attended from our city.

The Congregational Church, in Birmingham, has been reserved for Nancy's June 14 wedding to John Farris.

**BON VOYAGE, MARGE**

MARGE ROBERTS, who is leaving today for Europe, was guest of honor Monday at a bon voyage-pre-birthday luncheon (she'll be away on her June birthdate). Held at the Ambassador-Hilton in New Arbor, the one o'clock gathering included Gwen Liebler, Louise Hope, Annette Palmer, Eva Panzer, and Lee Smith, all of Belleville; Marge's sister, Opal Watts from Garden City; and a good friend, Joanne Zerkel, of Carleton.

The lovely centerpiece of yellow mums, white daisies, and red rose buds, was the gift of Eva Panzer. Marge also received a lovely peignoir set from her friends.

Marge and her husband, John, plan to be away for a month with their first stop set for London where they plan to do the city for three days. Then it will be on to Helsinki, Finland to see their "adopted" daughter, Tytti Kanerva, who, as a foreign exchange student, spent a year with the Roberts' and their daughter, Vicki, while she attended Belleville High. They will arrive at the Kanerva home just two days after Tytti's high school graduation. Then, with Tytti as their guide, they will travel to the Scandinavian countries for two weeks. They will then travel on to Germany (as Tytti returns to her work) and finally back to London to visit friends.

Bon voyage and our "hello" to Tytti.

**RETIREMENT TEA**

ANITA PARSONS was in Detroit last week to attend a retirement tea honoring her mother, Mrs. Rennetta Kliewer, who was leaving the Bell Telephone Company after 23 years service. Held at the Webster Toll in whose district she was assigned, the party was attended by some 125 women, (former employees and currently employed personnel,) who presented Mrs. K. with a letter wallet, purse of money, and several personal gifts. She also wore a gift corsage of 14 sweetheart roses and Anita, too, was given a corsage in honor of her mother, who had started with Bell as an operator and had worked her way up to district management.

**BITS 'N PIECES**

DONELDA McLAUGHLIN was surprised guest of honor last Friday at a birthday luncheon held at the home of Margaret Jahner, on Quirk Road. Enjoying the afternoon celebration were Grace DeFrancesco, who baked and decorated a heart-shaped birthday cake, Alma Memering, Maxine Sala, Mary Evelyn Johnson, Muriel Paulsen, Dorothy Skszek, Alma Kemp, and Sadie Kemp...HOME AGAIN after a 10-day vacation in Florida is Helen Miller, of Stanley Drive. Leaving Belleville on the 14th, she and Gerry drove down to Green Springs, Ohio where she joined his folks, the Ralph Vesey's, on their motor trip to the Sunshine State. Indialantic (and the Vesey's new home) was their destination with Mr. V. having rather an important event in mind. Being an avid fan of the space program (he's seen many a space shot while in Florida), he was determined to see the lift-off of Apollo 10 from nearby Cape Kennedy. Definitely evident that she's been elsewhere (she's sporting a Florida tan), Helen returned Sunday when Gerry again called for her in Ohio...CLARA BOKON of Willis Road is a patient at Harper Hospital, in Detroit. ## VB Civic Association Holds Meeting; Elects New Slate

BELLEVILLE-A general meeting and election of the Van Buren Civic Association and election of officers was held Wednesday, May 21 at the Belleville High School Cafeteria.

Chairman, James L. Borst opened the meeting by introducing the officers and board members and the civic associations attorney Henry Zaborowski. He welcomed all new members and visitors informing them of the purpose of the association by reading a portion of the by laws. He also informed all members of the change in the monthly meetings from the first Monday of the month to the first Tuesday of the month at 8 p.m. at the Belleville High School.

\*\*\*

THE CHAIRMAN gave a progress report on the three main projects of the past year:

- \* The alleged irregularities in the townships.
- \* Air Pollution - Mainly the Huron Valley Steel Company and the Wayne County Health Department's deadline for curbing pollutants from the tall stack by Oct. 31-1969.

The lower cupola has not been successfully taken care of as yet and as stated in a letter from the Health Department to the township Hall, Oct. 25-1968-(A permit has been issued to further improve the collection of fume from the charging section of the cupola so this fume is better delivered to the tall stack) Estimated completion date for this work was Dec. 9-1969.

BOARDS OF DIRECTOR MEMBERS from the Wayne County Regional Interagency Committee on Mental Retardation, the Metropolitan Agency for the Retarded, and the Detroit Wayne County Community Mental Health Services Board were also invited.

"I am impressed by the effectiveness and sophistication of programs for the mentally retarded within Wayne County," stated Commissioner Schmickel.

It is most important to establish a series of small community living centers to complement existing and planned community services. Community living centers were less than one-third as expensive as the cheapest institutional care," Schmickel pointed out.

IN CONCLUDING his luncheon remarks, Commissioner Schmickel expressed deep interest in the demonstration community living project operated by the Wayne County Intermediate School District a few years ago.

Your Wayne County community living project vividly demonstrated the value of community living not only on the basis of dollars saved the taxpayers but also in terms of human dignity."

"I would hope Wayne County continues to lead the way in future community living projects," concluded Schmickel.

THOMAS TUCKER, who represented President Nixon's Committee on Retardation, commented enthusiastically on the comprehensive nature of the Wayne County network of special education services at a social hour

Horse club member, Franklyn Flock, Jr., 15, of 15665 Middlebelt, was one who stayed of 12 horse project members at the Village for all three days.

IN CHARGE of this Wayne County group were Mr. and Mrs. Christian Fischer of Wayne Road, Romulus, leaders of the Wayne County Horse groups.

"Frank" and his registered quarter horse "Tuffy T-McQue" took part in parades and demonstrations at the fair. On Saturday afternoon he participated in a public Horse Show, along with James Morris, 15, of 13599 Huron River Drive.

James showed his Registered Quarter Horse "Jenny Todd" and, with other horse club members from Wayne County, had been selected to come in for the one-day horse show competition. There was no charge for the horse show, besides the regular Village admission charge. The public was invited.

James Morris and his registered Quarter Horse "Jenny Todd" took a fifth place ribbon in Fitting and Showing. Franklyn Flock, Jr. and his registered Quarter Horse were awarded a second place ribbon in the combination horsemanship and pleasure class, during the Saturday Horse Show.

CLOTHING PROJECT members, Flora Diepenhorst, 18, of 36836 Northline and her sister, Marie, 16, were selected to exhibit their 4-H clothing projects, to be judged in workmanship at Greenfield Village during the fair. For her final seventh year in the 4-H Clothing project Flora made a floor length formal; while Marie

BELLEVILLE—Equipment Operator Second Class Randy G. Greer, USN, son of Mr. and Mrs. Teddy Greer of 47096 Ayres Street, and husband of the former Miss Bonnie C. Gill of Belleville, was advanced to his present rate while serving with Navy Mobile Construction Battalion 121 in Vietnam.

England's Prime Minister Harold Wilson is 53 years old.

Iceland has no minerals.

BOARDS OF DIRECTOR MEMBERS from the Wayne County Regional Interagency Committee on Mental Retardation, the Metropolitan Agency for the Retarded, and the Detroit Wayne County Community Mental Health Services Board were also invited.

"I am impressed by the effectiveness and sophistication of programs for the mentally retarded within Wayne County," stated Commissioner Schmickel.

It is most important to establish a series of small community living centers to complement existing and planned community services. Community living centers were less than one-third as expensive as the cheapest institutional care," Schmickel pointed out.

IN CONCLUDING his luncheon remarks, Commissioner Schmickel expressed deep interest in the demonstration community living project operated by the Wayne County Intermediate School District a few years ago.

Your Wayne County community living project vividly demonstrated the value of community living not only on the basis of dollars saved the taxpayers but also in terms of human dignity."

"I would hope Wayne County continues to lead the way in future community living projects," concluded Schmickel.

THOMAS TUCKER, who represented President Nixon's Committee on Retardation, commented enthusiastically on the comprehensive nature of the Wayne County network of special education services at a social hour

chose to make a three-piece suit.

Marie Diepenhorst's 3-piece suit was awarded a second place ribbon in the Senior Division, judged on workmanship. Flora Diepenhorst also exhibited her formal dress in the Sr. Division throughout the three days.

13-year-old Carla Hay of 14170 Huron River Drive, modeled an afternoon dress featuring a cowl neckline which was her fourth year sewing project. Carla's garment was also selected to be shown in workmanship competition, but she chose to model.

There was no special admission, and the public was invited to attend. Mrs. Ruth Smith is clothing leader for the Romulus Western Riders 4-H Club.

finalists from four counties. Their 4-H Sewing leader, Mrs. Ruth Smith, assisted with the modeling program throughout the day.

Modeling competition, with 4-H girl finalists from several counties, took place Saturday afternoon, May 24, on an outdoor stage at Greenfield Village.

There was no special admission, and the public was invited to attend. Mrs. Ruth Smith is clothing leader for the Romulus Western Riders 4-H Club.

## Ace of Aces Rickenbacker Blazed New Air Trails

TWO GREAT WARS and a couple of so-called "police actions" have brought flying world headlines a new type of warrior. A warrior who flies his tiny fighter aircraft thousands of feet high in the sky, twisting and turning with every maneuver he can wring out of his winged aircraft to try and outfly and shoot down his enemy.

From this breed of aerial gunfighters was born the word "Ace." It was a coveted title earned by fighter pilot after they had shot down five enemy aircraft. It was a title sought eagerly by young pilots in the air forces of all nations in every war since the airplane became a military weapon.

Britain had its fabulous Billy Bishop with 72 aerial victories. France's gay Rene Fonck lost count after downing over 70 German airplanes. The famous Red Baron of Germany, Manfred Von Richthofen, posted 80 victories over allied planes.

With a three-year late start, the infant U.S. Air

Service in 1917-18 still came up with some of the great aces of our time. By the time the guns were silenced in November, 1918, America boasted its own Ace of aces, Captain Eddie V. Rickenbacker. Within a short span, less than a year, Rickenbacker posted 26 official victories over the best of the German air service.

Rickenbacker was one of the nation's leading racecar drivers when the United States entered World War I. He soon enlisted and arrived in France in June, 1917, as the personal chauffeur for General John J. Pershing.

It was not long before the former racecar driver managed to persuade his superiors to let him transfer to the air service so he could become a flyer and in August, 1917, he reported to the flying school located at Tours, France. Flying a tiny fighter was easy for him and on October 4, 1917, he was commissioned a first lieutenant and assigned to the Third Aviation Instruction Center as

He was critically injured in an airliner crash on February 21, 1941, that killed eight other passengers. However, after hovering near death for weeks, the hearty "Captain Eddie" fully recovered from his injuries about the time the world burst into World War II and he volunteered his services again to his country.

His stay at the training center was short-lived with his craving for action and in February 1918, he arrived at the front to become a member of the 94th Aero Squadron. On April 29, 1918, he shot down his first enemy plane and by the time the great war ended seven months later, his skill in aerial combat enabled him to shoot down a total of 26 German planes to become America's ace of aces.

In October, 1942, while

on a similar assignment to the South Pacific, the aircraft carrying Rickenbacker and seven others, exhausted its fuel and ditched in the Pacific Ocean. After drifting on a life raft for 21 days, and having been given up for lost, they were rescued by a Navy observation plane.

Soon after the war ended,

Rickenbacker became chairman of the board for Eastern Airlines and held that post till his retirement in 1964. While no longer active in aviation activities, Eddie Rickenbacker commands instant attention wherever his name is spoken. No name is more synonymous with respect to the flying world of U.S. military and commercial aviation.

OPEN HOUSE STAR—Sporting a special bright blue and orange paint theme, this spanking new Cessna 150 will highlight the open house to be staged at nearby Willow Run Airport by the McGrath Flying Service at their facility. The public is welcome to come out and see the latest in small planes. Admission is free, and the open house will run from 11 a.m. until 6 p.m. Sunday, June 1.

## Boeing Delivers 150th Renton-Built Jetliner

The 1,500th jetliner produced at The Boeing Company's Benton, Washington, plant has been delivered, a little more than 10½ years after the first production 707 jetliner was turned over to American Airlines.

### BOAC to Have More 747 Jets

BOAC, the British flag airline, will inaugurate 747 superjet transatlantic service in May 1970. BOAC, which will operate 12 of the huge jets initially, will begin its service on the London to New York run but will quickly expand 747 flights to other areas such as Montreal, Bermuda, Australia and Africa.

### Boeing Sales Skyrocket

The Boeing Company has announced Boeing Sales that its total jet aircraft sales to date have skyrocketed to 2,059 airplanes including 707/720's, 727's, 737's and 747's. Seventy-six nations or organizations are represented on Boeing's sales list. Aircraft deliveries now total 1,665 units.

The 1,500 Renton-built jetliners include 642 Model 707s, 154 Model 720s, 391 Model 727-100 trijets, 154 Model 727 convertible cargo-passenger airliners and 159 long-bodied Model 727-200s.

Value of these planes totaled \$8.2 billion, with \$2.1 billion of this representing sales to non-U.S. airlines.

The Boeing plants at Renton has also produced 732 KC-135 military tanker-transports and 88 C-135 military transports.

ACE OF ACES—This 50-year-old photo shows Captain Eddie Rickenbacker with his favorite fighter plane, the SPAD. As commander of the famed 94th Aero Squadron, he led his squadron on most missions. The Hat-in-Ring insignia that the squadron made so famous during WW-I is still being used by the 94th Fighter Squadron of the U.S. Air Force today flying near-sonic speed jet aircraft.

### Rolls-Royce Passes Air Test

Rolls-Royce, Ltd. has announced the successful completion of 500 hours of testing the huge RB-211, 40,600 lb. thrust engine "ahead of schedule."

The RB-211 engine will power Lockheed's "70's Generation" L-1011 TRISTAR 250-passenger jet. The engine has achieved its full 40,600 lb. thrust satisfactorily.

In its latest RB-211 progress report, Rolls said that initial noise tests have been completed in an open air test facility, and results to date confirm the predicted low noise levels of the advanced technology engine.

RB-211 will first be flight tested in early 1970, installed in a VC-10 "flying test bed."

### Conrad Picked

NASA, looking beyond the Apollo 11 lunar landing mission, has selected Charles Conrad, Jr., as spacecraft commander for Apollo 12.

### Plans Set to Fly by Venus and Mercury

The National Aeronautics and Space Administration's post Apollo mission plans include a Mercury flyby via the planet Venus.

The ambitious program planned for 1973 would send spacecraft near, within 2,100 and 3,600 nautical miles, the surface of Venus.

The spacecraft would proceed to Mercury passing

### SUMMER YOUTH PROGRAM

## Neighborhood Action Centers Are Taking Job Applications

ELOISE—Applications for summer employment for disadvantaged teenagers are being taken in nine communities at the Neighborhood Action Centers—Ecorse, Hamtramck, Highland Park, Inkster, River Rouge, Romulus, and Taylor.

Garden City youth are making application at the Log Cabin recreation building in City Park.

The applications will be reviewed and job recommendations will be made by local citizens advisory councils organized to assist in planning the kind of youth program that will meet the needs of low-income youth.

A proposal for \$85,000 in federal funds and a \$21,250 non-federal share to operate a Summer Youth Opportunity Program was approved by the Wayne County Board of Supervisors and the Wayne County Opportunity Committee. It has been submitted to the Office in Chicago for funding approval.

TWO MAIN problems dealt with in the Youth Opportunity Program are the need for employment and week-end recreational activities for teenagers of low-income families.

The prime objective is the provision of job slots in the eight target communities and Garden City to offer meaningful work experience 25 hours a week for six weeks. More than 300 teenagers between 14 and 19 years old will be employed at \$1.40 per hour. In addition, the young people will plan, organize and implement their own enrichment programs and recreational activities.

Support has been shown by municipalities, school districts, voluntary agencies and others who have declared their willingness to hire low-income teens and to provide supervision and on-the-job training. This program will employ young people from low-income families as park and recreation aides, custodial and lawn care attendants in churches and schools, and clerical and secretarial aides in municipal and public agency offices.

COMMUNITY SUPPORT has been increasing since 1967, the first year for a summer youth program in Wayne County.

Included in the proposed program are funds for transportation and admission fees to programs and activities in the metropolitan area. The selection of these events will be made by the youth participating in the program.

In communities where recreation programs are adequate, or non-existent, youth will be employed to strengthen and supplement the programs by organizing team activities, such as Junior Olympics and fitness clinics or workshops with sports personalities.

\*\*\*

ALL TARGET area teen clubs formed as a follow-up to Operation Summertime 1968 have been functioning with no financial support.

## OK's Code On Housing

Sumpter — A Basic Housing Code has been approved by the Sumpter Township Board.

Board members adopted an Ordinance approving the Building Officials Conference of America's code (1964 edition as amended through 1968) as the Basic Housing Code for the Township, Mike Kozma, supervisor, announced.

The Ordinance setting up the Township's Basic Housing Code protects the public health, safety and welfare in buildings being used for dwelling purposes.

Violations of the code are misdemeanors with maximum penalties of \$100 fine or 90 days in jail or both.

## Bow & Arrow Carp Shoot Announced

BELLEVILLE—The second annual Bow and Arrow Carp Shoot sponsored by the Huron Valley Conservation Association will be held Sunday, June 8, Chairman Jim Noblett, announced.

This year's event "bigger and better" will be held at West Huron River Drive, just east of Rawsonville Road, two and one-half miles west of Belleville.

Participants are asked to use the Rawsonville Road exit from the I-95 Expressway. Prizes are to be awarded in each entry class.

Shooting hours will be from 8 a.m. to 5 p.m. Bring

## Hiveleys 'On Leave' Prior To Vietnam

BY PEARL MORRIS  
941-1187

SP/5 Charles Lee Hiveley, his wife, and baby son, Charles Lee, Jr., are on 17-day furlough in Romulus, from Ft. Bragg, North Carolina. He is due to report to Camp Dix, New Jersey, June 10, after which he expects to be sent to Vietnam. Hiveley re-enlisted in the army last April ('68) for three more years. He previously saw a year's service in Vietnam.

\*\*\*

SP/5 Charles Lee Hiveley (mentioned above) was one of five grandsons who served as pallbearers at the Tuesday afternoon funeral of their grandfather, Mr. Charles Hiveley, of 10903 Wayne Road who passed away May 23.

\*\*\*

Mr. and Mrs. Walter H. Scott returned to their home on Hannan Road recently after wintering at Englewood on the West coast of Florida. Mrs. Scott remains in poor health.

\*\*\*

MISS SOPHIE MEKA of Flint spent the weekend visiting at the home of friends, Mr. and Mrs. Peter Glaab, on Hannan Road.

\*\*\*

Mr. and Mrs. Albert Wahrman of Wahrman Road expect to watch the Indianapolis 500 Races on closed circuit TV Memorial Day, at the Dearborn Theater. Their son, Don Wahrman of Farmington, is in charge of the Ford entries in the races.

\*\*\*

Mr. Elmer Marquardt of Wahrman Road is a patient at Wyandotte General Hospital where he underwent an eye operation last week. He is reported improving.

\*\*\*

19 ladies of the Romulus Literary Club enjoyed an outing to Northland last Wednesday and saw Barbara Streisand in "Funny Girl". Beforehand the ladies enjoyed lunch together at Greenfield Restaurant.

\*\*\*

STUDENTS OF the Romulus Community Schools will enjoy a three day weekend recess this week because of Memorial Day on Friday. Classes will resume on schedule Monday morning, June 2. Schools in Romulus Township close for the year on June 13.

\*\*\*

Michael Glaab, son of the Peter J. Glaabs of Hannan Road, New Boston, made his First Communion Sunday at St. Stephen's Church, New Boston. Afterwards a breakfast in his honor was held at his parents' home. Among the guests were his grandmother, Mrs. Leona Glaab of Hannan Road, Romulus, and his aunt, Sister Elizabeth Seton of Carleton.

The cool, clean, comfort of Gas central air conditioning. Of course.

You see, Gas air conditioning is the greatest boon to comfort since the window. With it, you can really enjoy summer. Have guests anytime. Full dress or casual. Your guests will be comfortable in any part of the house. And remember those sleepless nights last summer? Forget them. Gas air conditioning will let you sleep like a baby. Housework is easier, too. Doors and windows stay closed on the hottest days. No dust. No dirt. No outside noises. Just cool, clean, comfortable air. Everywhere.

So if you're one of those people who don't have it, why not get it? Gas air conditioning is the finest you can buy. And it's easy to own. In fact, if you have a forced-air furnace you've got half the system right there. If you like, you can charge the rest and take five years to pay. Call us, or your Gas air conditioning contractor. Be one of those who have it.

the "decision makers"  
way to enjoy life!**

Think of it . . . at the end of each calendar quarter Security Time Savers are faced with a delightful decision . . . what to do with their interest . . . interest that never seems to stop growing! We developed STS for people who can stand up under the quarterly "burden" of having to decide where to spend 5% interest, compounded continuously, as it piles up in their account!

All it takes to get in, is an initial deposit of \$1000. From then on,

deposits of \$50 or more, will do just fine.

To make sure you are aware of how your money is growing, we provide a quarterly statement of activity. And for tax purposes, as well as your own records, we forward a year end statement.

And do we play "hard to get" when you want your money? Not on your life! You can withdraw all, or part of your savings at any time during the first 10 days of each calendar quarter, or with 90 days (the minimum legal

requirement) written notice. If you haven't opened a Security Time Savings Account yet, get with it! If you have, prepare yourself . . . the next interest payment is closer than you think!

And, by the way, if the thought of having to make periodic decisions is standing between you and opening an account, relax . . . we'll be happy to add the interest to your account and let your money continue to multiply, or mail you a check. "Enjoy life," with a Security Time Savings Account!

# Pettus 2nd Best High Jumper in State

Garrade Pettus, the phenomenal 16-year-old sophomore at Belleville High, came within an inch and a half of winning the State Championship in the high jump at Michigan State University where the best in Class A had gathered for the State Finals.

It was the first time in the history of the school that an athlete had come so close to a state track title.

He missed out on the gold medal to the Pontiac Central representative who won it on

a 6 foot, 4 inch leap.

Pettus also proved himself an opponent to be reckoned with in the broad jump when he leaped 21 feet, 1 inch to place eighth among the best in the state.

The Belleville trackman was the closest to any in the area to win a Class A championship.

Romulus' Warren Bonam

also picked up a medal at the State Finals when he finished with 21 feet, 6½ inches in the long jump. That performance was good for a sixth place.

In Twin Valley League competition, meanwhile, Ecorse, with a total of 77 points, retained the conference title beating out Romulus, the closest challenger who had 62½ points.

River Rouge and Willow Run followed in that order. Hamtramck, having millage problems, did not field a track team this year.

Coach Ed Baum's Eagles captured five first places with Larry Smith and Roy Williams accounting for double victories.

Smith turned in a 14.5 in the high hurdles and a 19.7

for the lows for his two gold medals while Williams polished off the 100-yard dash in 10 seconds flat and the 220 in 22.5 for his first places.

Dennis Green, who leaped 20 feet, 9 inches for the long jump, was also crowned league champ in that event.

Also in the long jump, Romulus received a second

and fifth place from Bonam and Williams, respectively. They traveled 20 feet, 8 inches and 20 foot even.

In the high jump, Green was runner-up with 4 feet, 10 inches to his credit and Tony Johnson, fourth, with 5 feet, 8 inches.

Dave Brown wound up in second in the pole vault as he cleared 12 feet.

Baum's 880-relay team of Johnny Wilson, Ed Thompson, Bonam and Roy Williams came in second in 1:31.9 and the mile squad of George Hopson, Gary Martin, William Cox and Mike Lewkowicz was third.

Lewkowicz posted a fifth place for the mile run, crossing the finish line in 5:01.

### A Law Against Losing

There should be some sort of city ordinance passed by Council to prohibit parents and would-be sports editors from attending crucial baseball games - and it shouldn't be very difficult to enlist Wayne Councilman Manuel Lentine to introduce such legislation - if he hasn't already.

With a motley crew of parents and that above-mentioned editor on hand, Manny watched his team's hopes for a Southwest Division championship go through the legs and over the head of some of his players.

"We shouldn't have come," said one of the parents after St. Mary's lost 2-0 to St. Andrew.

"There should be a law against the home team losing crucial games," added another in obvious disgust.

"This is the last time I'm going to watch my boy play," bunted another father.

"It wasn't that bad," I consoled.

Oh, but it was. By the anguish which was etched on the faces of those losing Blue Knights, you couldn't help but feel the emotion and pain of losing.

There should be a law against it.

### Triple Play

And the first triple play to cross this desk this season? The Knights also almost pulled that off but the honor must go to Belleville Junior High in its 3-2 victory over Monroe Custer.

With men on first and second, pitcher Mark Robson erased the threat almost single-handedly.

The Belleville hurler nabbed a hard-hit liner and wheeled quickly and tossed to Larry Farr to get the runner at second. Farr was quick enough with the relay to first baseman Bobby Johnson who stepped on the bag for the third out.

And if Coach Dave Smith wants to know where I get my junior high information from - can't tell. It's classified. But his team is now 5-2 on the season and that "ain't" bad at all.

### An All, All-Area Meet

We'll be taking another giant step Friday in finding a better way to select ANP's All-Area track team when the inaugural All-Area Track Meet is held at Garden City East High School on Memorial Day.

The meet, co-sponsored by the Wayne Jaycees and helped along by the efforts of Jim Thompson, is the first of its kind in Western Wayne County. The top athletes from the schools covered by the Associated Newspapers will not only vie for the honor of being selected to the All-Area track team but for trophies and medals donated by the Jaycees and the ANP.

Incidentally, Burt Weyhing, of Wayne Brothers, is responsible for engraving the medals and, believe it or not, he only charged \$1.00 for the entire lot. And that's something like 60 medals and 14 trophies.

Larry Calpaert, general manager of George Smith Real Estate, passed that information on to us.

Fans are cordially welcomed to the meet which will begin at 6 p.m. (You can find a schedule of the program somewhere on these sports pages). West coach and AD Bill Pinnell once pointed out to us, "that Memorial Day isn't a bad day to run a meet at all."

"Tell the folks to keep off the highways and tell them to come and see the best athletes in the area compete."

We'll do that.

But some folks also want us to tell coaches and the ANP that they are being unjust to some of the kids in the area. Their kids want to compete, live in the cities covered by the ANP - but go to schools outside our limits. They argue since these athletes live in this area they have a right to compete in an All-Area meet.

Now I don't know about that - so I promised to ask those who do - the coaches.

"There are two outstanding trackmen right here in our city and I'll bet there are others who are just as good," said (Continued on Page 16)

SAME OLD STORY! - Five golf tournaments have been held in the area in the past four years and Livonia schools have won all five titles. ## Franklin Proves Again They're Tops in Golf

BY JIM BRADLEY  
ANP Sports Writer

NORTHLIVILLE - Livonia Franklin faltered briefly in the late stages Friday, but managed to edge Garden City West, 333-335, to win Associated Newspapers' Western Wayne Golf Tournament for the third time in four years at Salem Hills Golf Club.

Displaying the team balance which has given them an outstanding season, the Pats overcame West medalist Ron Smith's 74 and teammate Mike Dunn's fourth-place 79 in retaining the title they won in sudden death with John Glenn last year. Tom Cash fired 77 in pacing his team and was aided by Randy Adams, 83, Steve Brzys, 84, and Ron Crisp, 89, for the winning total. Rick Kramer had 88 and John Skinner 94 to round out West's figure.

Jim Cartmill and Randy Pierce, each carding 82's, powered Cherry Hill into third place with 341, six strokes better than John Glenn's 347. Following on their heels were Garden City East, 362, Belleville, 374, and Wayne with 391. Dan Smith's 88 and Pat Corp's 89 combined for the Spartan's foursome.

Sam Blaney cruised over the course with a four-over par 76 for second place honors and led John Glenn to its fourth place finish. His consistent 38-38-76 score was grouped with teammates Dennis Bauman, 87, Jim May, 90, and Mark McGee with 94.

A blanket could have covered the scores of Garden City East's foursome as they finished within three strokes of each other. Rick D'Adamo

broke 90 by one stroke with 89, Ted Wasilewski had 90, Jim Pickel 92 and Mark Plichta 92 in their 362 finish.

Chris Lorentson's 86 led Belleville, but all three of his mates, Fred Peterson, Bill Hidenfelter and Bob Zaborowski, fired 96's as the Tigers escaped the bottom rung in the tourney.

Wayne Memorial's Jim Hubbs who has been their consistent scorer most of the year continued to be the team's frontrunner with an 88. John Orwin, coming on of late to play good golf, slid to a 96. Steve Suliman and Curt Wiltanen had 103 and 104, respectively, for the foursome score sum.

In addition to Ron Smith playing fine golf in his 37-37-74 for medalist honors for the boys, Wayne

Memorial Coach Norm Boyea shot 81 for the coaches' trophy and Cherry Hill Athletic Director Bill Mills' 90 won the celebrity award.

Harry Hidenfelter, Belleville Athletic Director and tournament chieftain, again did a splendid job in organizing and conducting the event. Forty-seven players took part in the tourney sponsored by ANP each year and Hidenfelter said it was probably the best one to date. "I thought the scores were good for the condition of the greens. This boy Ron Smith from West did a great job with his winning score of 74," he said. "We look for an even better tournament next year."

A certain rookie golf writer picked Franklin to win the Western Wayne Tournament with Garden City West and Cherry Hill close on their heels.

They are now competing to prove they are the best in this area and they will be challenged by those who feel as confident as their rivals. The victors, aside from being awarded the spoils which include trophies for the first place and medals for the next five, will automatically be named to the Associated Newspapers 1969 All-Area Track Team.

The field events will begin at 6 p.m. while the preliminaries for the track events also are slated at that time. Athletes are urged to report to the field at 5:30 p.m.

There is no admission charge.

The candidates were selected from the weekly listings published by the ANP with this week's results as being final.

## Churchill Wins Huron Golf Meet

Livonia high schools can be quite greedy when it comes to winning golf tournaments. Franklin or Stevenson, both located in that city, have won the ANP sponsored Western Wayne Golf Tournament each of the four years it's been played.

Now, Huron golf coach John Marcero planned and sponsored the Huron Invitational for schools just starting the sport or that shoot over 200 total for nine holes. The tournament was held last Tuesday at Fellows Creek and guess who won? Would you believe Livonia Churchill?

Churchill, led by Kerry Reel and Gordon Menna each with 89, slipped into first place with 383, just three strokes better than Wayne Memorial. Huron's 398 put them third, while Ypsilanti

was fourth with 413. Summerfield and Gibraltar Carlson with 424 and 426, respectively, brought up the rear.

Wayne's John Orwin stroked a 43-45-88 and his teammate Jim Hubbs carded 45-45-90 to pace the Zebras to their second place spot.

Medalist for the day was host Huron's George Karcha who has been the shining light in an otherwise dark picture for coach Marcero this year. Karcha toured the Fellows Creek layout in a consistent 42 on each side for his medalist total of 84.

Bob Bently's Churchill crew is in its first year of golf and he was exuberant over his team's victory.

Marcero said he was very pleased with the tournament. "We learned a lot of things," the first year coach explained, "and we look for an even greater tournament next year." He arranged the tourney almost exclusively by phone because of the late date and was extremely well pleased with the results and the cooperation he received.

## MANY ENTRIES

Inboard Hydroplane racing on Ford Lake has become an outstanding Community event in Ypsilanti.

On June 14 and 15 the large powerboats will again return to Ypsilanti to compete for cash prizes, national points and trophies.

Ypsilanti will feature two complete Regattas over the same weekend, which for this reason alone will draw from 75 to 90 Inboards from at least 26 States.

The two-Regatta feature will enable drivers to pick up double points toward their national standings.

\*\*\*

**THE YPSILANTI Jaycees** are also offering an additional incentive which are large trophies for the top three boats in their class, based on total points over the two Regattas.

The 1-2/3 mile surveyed course is designed for drivers to take a crack at their class record. The wide turns and long straightaways tempt drivers to push a little harder. Regatta Ypsilanti for three years has had its share of accidents and the course, plus smooth water, are mainly the reasons.

Regatta Ypsilanti will feature two heats of eight classes of Inboard Hydroplanes on both days. The first heat is at 12:00 noon each day - commencing with the giant 7 Liter Hydros. This class is well known as the "Baby Gold Cup Class". The boats are 26 feet long

and powered by 427 cubic inch automotive engines modified to the very mechanical limit.

Some of the engines have been known to develop 1200 horsepower which explains a straightaway speed of 168 miles per hour, the existing record.

\*\*\*

**THE "LITER BOATS"** as they are also known - throw a roostertail 50-60 feet in the air and some 140 feet behind the boat. All the classes except one are the Prop Roostertail Type. The one exception is the SKI Racing Runabouts.

The SKI Racing

Runabouts are powered with modified 410 cubic inch automotive engines. The basic difference is hull design. The SKI boats are Vee-Flat Bottom design, and ride right on their transom which creates a porpoising type motion while running.

These boats are difficult to drive in a closed course event due to their extreme speed and tendency to "dig in" on the turns.

"Regatta Ypsilanti" will be the site in 1970 for the Inboard Hydroplane National Championships, so in 1969 and 1970 Ypsilanti will be a Major Powerboat Racing Community.

With mixed feelings, Tom Grange bowed out as head track and football coach at Huron High School last week. Grange, who earlier in the year announced his resignation, watched his track team place fifth at the inaugural Huron Conference Meet with 26½ points—a mark improvement to what the Chiefs had been accounted to in that sport.

Randy Clark also remained undefeated in the quarter-mile this season as he established a new school and league record when he finished in 52.4 for first place honors.

The 17-year-old senior was the only athlete to earn a

gold medal in an individual event from the New Boston high school.

Huron, however, also won the 880-relay with David Edge, Therle Dregansky, Clark and Ed Smith who combined for a 1:34.5 performance.

In a well-contested meet, Tecumseh emerged as the first Huron Conference champion with a total of 48 points. Close by were Grosse Ile and Monroe Catholic Central with 37 and 33½ points, respectively.

Following in order were Blissfield (32); Huron (26½); Flat Rock (22); Monroe Jefferson (21); Carlson (13); and Airport (2).

Huron also received a second place effort from Smith who won a silver medal when he leaped 19 feet, 3½ inches in the broad jump.

David Edge was fourth in both the 100 (10.7) and the 220 (23.7) dashes while Joe Richert finished fourth in the mile run with a 4:58.

Smith was fifth in the 220 with a 24 even.

Huron wrapped up the 1969 dual meet campaign with a 3-5 won-lost record.

"I've had four good years here at Huron," said departing coach. The people were nice to work with and the kids enthusiastic.

"In many ways I hate leaving," Grange said.

## Patio King Contest Underway

The Detroit Edison's King of the Patio contest is now under way throughout the company's Southeastern Michigan service area.

The contest for King of the Patio is open to men, 18 years of age and over, who reside in Edison's service area. Entry is achieved by the contestant's submission of his favorite patio recipe, mailed to Electric Living Division, The Detroit Edison Company, 2000 Second Avenue, Detroit, Michigan 48226.

George Matthews, Assistant Manager of Edison's Detroit-Wayne marketing area observed that the deadline for entry is not until midnight on May 31 and encouraged all men who practice and enjoy the art of outdoor cooking, particularly from his own Detroit-Wayne division, to get into the contest.

The ten finalists will be selected early in June and will compete in a cook-off on June 10.

## COMMITTEE FORMED

## Romulus Township Ok's Various Appointments

**ROMULUS** — The Romulus Township Board of Trustees have approved appointments to various township commissions and boards at the May 20 meeting.

Named chairman of the Romulus Recreation Commission was Trustee Ellis T. Pennington. Others named to its membership were:

Mike Pasternak, John Rarick, Hank Fischer, Mrs. Vaudie Elliot, Mrs. Dorothy Ball, James McFarland, and Mrs. Nellie Wehnt.

Township Clerk Alfred J. Perry was appointed to fill the unexpired term of Joseph Wallis on the Water Commission, John Lawkowicz, Elmer Richardson and Corrine Gibbons were named to

three-year posts on the Water Commission.

Daniel Lambert and Ernest Komyathy were named to the Police, Fire and Safety Commission for one year terms.

The Board also approved the setting up of a Township Committee consisting of the Township Supervisor, manager of the Water and Sewer Department, Township Legal Department and Township Engineers and any other township employee that the supervisor may need to assist the committee in its work.

The purpose of this committee will be to meet with county officials and discuss the future plans and expansion of Detroit Metro Airport and the existing one million dollar Sewer Capacity Contract between the County and the Township.

FLAG PRESENTATION--The Romulus Post of Veterans of Foreign Wars, Post No. 9569 presented American flags to St. Aloysius School, Romulus. Shown above with the new school flags are class representatives and members of the Post Rev. Father Joseph Kernosek, pastor (standing at flag pole) received the flags in behalf of the school.

## School Receives U.S. Flags

**ROMULUS**—Saint Aloysius School of Romulus received American flags from Romulus Veterans of Foreign Wars. Post no. 9568.

Commander William V. Vestuart opened the ceremony with a traditional

speech used in presenting an American flag to organizations. Officer of the day William M. Kuhn then presented the small flags to Father Joseph Kernosek Pastor, Sister M. Annette, principal, and to representatives of each class.

This was followed by an appreciation speech by eighth grade class president, Roman Martinez. The eighth grade students then led the school in the pledge of allegiance.

and recited the "History of Pledge of Allegiance."

With the songs, "Star Spangled Banner" and God Bless America" the flag ceremony came to an end.

The following persons represented the sections of the V.F.W. Post: Williard-Hegegar, color bearer; Larry Frontz, Dads of the F.F.W., and Althea Rigby and Mary Lakatos for the Ladies Auxiliary.

Wilson, with a second in the 880 (1:56.2) and Bonam, fourth in the quarter (53.1) accounted for all of the Eagles' medals.

Over in the Suburban Six Conference, recently crowned state champ, Redford Union, also claimed the league with 72 points. They turned back their most severest critic, Bentley, which had 60 points. Plymouth followed in third (39); Allen Park, fourth (28); Belleville, fifth (27); and Trenton, sixth (19).

Pettus was crowned Suburban "6" champ in the high jump - coming up with a 6 feet, 4 inch performance, an effort which would have given him a share of the state crown.

He also received a silver medal for his performance in

the long jump where he carded a 21 feet, 7 inches. Pettus was fifth in the high hurdles (15.8).

Junior half-miler Mickey Fant set a new school record for his specialty when he finished in 1:57.5. His performance was good for a second.

Also runner-up was the Tigers' mile relay team of Allen Fant, Mike Fant, Jeff King and Dale Kaulitz who combined for a 3:27.5.

Larry Merritt made it to 12 feet, 6 inches in the pole vault to earn a bronze medal.

Coach Marland Howard's Tigers wrapped up the season last night participating in the third annual Inter-League Meet between members of the "6" and the Northwest Suburban which was held in Livonia.

# PCHA Fights House Bills to Destroy It

Two Michigan House bills that would affect the membership of Peoples Community Hospital Authority consumed most of the time at the latest PCHA directors' meeting.

Of concern to PCHA are House Bill 2824 and House Bill 2974. The former would eliminate the member-at-large category from the constituency of the PCHA board of directors. It was reported that this legislative bill remained in the Public Health Committee and is not scheduled on the general order calendar of the legislature.

House Bill 2974, written originally to allow communities participating in the Peoples Community Hospital Authority to withdraw on vote of the individual community's governing body, has been modified to allow any community to withdraw from PCHA on majority vote of its general electorate.

Representative Matthew McNeely, (26th District), who is in charge of the General Order Calendar of the Legislature, reported that the modified House Bill 2974 was placed on the calendar for consideration by the legislature.

Pleading for defeat of this legislation, Mayor T.J. Dyer of Ypsilanti called it a "virtual act of secession that would ultimately destroy not only PCHA but all hospital authorities."

"A hospital is a living organism," said Dyer, "and you destroy it if you rob it of any one of its vital organs, and commitment is just such a vital organ to the authority concept."

Dyer reported that the Ypsilanti Council unanimously passed a resolution urging defeat of the bill.

Dyer also said he believed that his community would not have a hospital today if not for PCHA. "Before we leased and finally sold old Beyer Memorial Hospital to

PCHA, it cost our community \$100,000 to run the hospital," he said.

"Today with membership in PCHA," Dyer concluded, "and with prices nearly triple what they were in 1946, we are getting a new Beyer Hospital for about \$37,000 a year in tax contributions to the Authority."

Vice Chairman Patrick Norton of Wayne declared if the current bill is passed, allowing communities to withdraw as the result of a general election, "the Authority and its hospitals would be worthless in ten years."

"Every single plan, every single long-range program to provide health care services for the exploding populations of our communities would have to be scrapped," said Norton.

"Without the strong, dependable tax base the Authority now has," added Norton, "we couldn't borrow a dime to add beds to existing hospitals or to

build, for example, the hospital which Taylor with its expanding population badly needs."

Tracey E. Salisbury of Ecorse reminded the board and visiting legislators that the day of constructing new hospitals, even remodeling obsolete ones, with donations from foundations and the wealthy are gone. "Each community wanting or needing a hospital of its own would simply have to stand in line and wait literally years for Federal funds, and then they couldn't expect enough funds to do the job," Salisbury stated.

Karl S. Klicka, M.D. Executive Director of PCHA, called the authority system "the most magnificent in the world."

"We have here in Michigan and in our area the strongest, most financially sound hospitals system in the nation, and we have it at an average annual cost of only \$1.50 per taxpayer," Dr. Klicka said.

"To abandon this magnificent system now by permitting individual participating communities to withdraw would not only be tragic but could create a serious threat to the health of thousands of people in this entire area," Dr. Klicka concluded.

Chairman Donald J. Pizzimenti closed the discussion by reminding board members that in eleven years PCHA has built 1100 beds for its communities, while non-PCHA hospitals in the area have either not been able to expand or have taken years to be able to add only a few.

"To me it is a shame that a fine institution like Detroit General Hospital, because it lacks the blessings of the authority concept, is now literally out on the streets selling tags to raise money to stay in business."

If any of the PCHA directors supports House Bill 2974, none expressed his views at the meeting.

## FOR MUSCULAR DYSTROPHY

### Mother's March Against Time is Tuesday, June 3

The Mother's March Against Time, Tuesday evening, June 3. That's the date.

Dempster added. "These are some of the reasons we all work to make this Annual Appeal a success."

Dempster indicated that each volunteer would have a special badge identifying her as a 1969 volunteer for the "March Against Time."

He also said that there is still time to join the 30,000 mothers and teens who are marching this year. If you'd like to be one of these volunteers, just call March Against Time Headquarters, 961-5400.

### Bike Toll Reported By Police

Children under 15 years of age accounted for 34, or 81 per cent, of the 42 bicycling deaths reported in 1968 in Michigan, State Police announced.

Collisions between bicycles and motor vehicles totaled 2,588. There were 2,330 persons injured.

By comparison, there were 47 deaths and 2,308 persons injured in 2,598 bicycling accidents in 1967.

State Police analysis shows the below 15 age group year after year accounts for 75 to 85 per cent of the bicycling deaths and for 80 to 90 per cent of the injuries.

In addition, two to three times as many bike riders are killed in rural areas as urban. However, past experience shows that the urban areas have the majority of the injuries and the accidents reported.

\*\*\*

"BUT THERE'S one more fact that underscores all the others. When we give our time and our money to Muscular Dystrophy, we know it will make a difference because there's a concrete need that's being met and without these funds the results would be tragic,"

APPLICATIONS FOR the Jamboree were sent in from our scouts who had reached the rank of Star Scout or above the first of the year. The following boys have been elected to various patrols and patrol positions:

James Ackron of 1045 West Huron River Drive, is a Junior Assistant Scoutmaster; David Salisbury, 13763 Elwell Road, is a Quartermaster, his brother, Steven Salisbury is an Assistant Patrol Leader; Dean Akron, brother to James is also an Assistant Patrol Leader; Jeff Liedel of 13107 Edgedale is a Patrol Leader as Tony Greisalas of 48820 Hull Road; Mark Light, 11025 Borgman and Vince Wegienka, 21581 Elwell make up the eight scouts from Belleville.

All transportation has been arranged for the boys and they will ride by way of

## LODGE

(Continued from Page 3)

SISTER LUCILLE Reinhardt presented Sister Mildred Burrell a gift on behalf of the Rebekah Lodge. She also was praised for the outstanding effort she has given her Lodge-a wonderful couple, who will be sadly missed.

A fact worthy of recognition is that Brother Darryl Raymond has 58 years of membership, and along with Brother Ernie Young, 47, and the three men who received the Life Membership certificates, total 240 years of membership in Oddfellowship.

As part of the Jamboree trip the scouts will be treated to a tour called "Scouting the Northwest" which will take them from Chicago through Montana and on to Seattle, Washington, where they will have a chance to view the sights from the famous Space Needle and ride the Monorail;

To the Supervisor and Clerk of the Township of Huron, Wayne County, Michigan.

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on May 15, 1969, decide and determine that the certain county road (alley) described in the minutes of said meeting of said Board should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting fully describing said county road (alley) is attached hereto and made a part of this notice, which is given under and by virtue of Act 283 of the Public Acts of 1909, as amended.

In testimony whereof, I have whereof, I have hereunto set my hand at Detroit, Michigan, this 20th day of May, A.D. 1969.

Donald R. Kring  
Secretary and Clerk of the Board  
Newspaper: Belleville Enterprise & Legal Times  
5-28, 6-4, 6-11-1969

and WHEREAS, the premises were viewed in accordance with said statute.

NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above-described county road or portion(s) thereof be absolutely abandoned and discontinued as a public highway, reserving therein the easement for public utilities and road drainage purposes over the easterly 12 feet thereof.

The motion was supported by Commissioner Kreger and carried by the following vote:

Ayes, Commissioners Kreger and Berry. Nays, None.

CERTIFICATION

I, Donald R. Kring, Secretary and Clerk of the Board of Wayne County Road Commissioners, do hereby certify that the above and foregoing is a true and correct copy of an excerpt from the minutes of a meeting of said Board held on May 15, 1969, as appears of record in the office of said Board; that I have compared the same with the original and it is a true transcript thereof.

IN WITNESS WHEREOF, I have hereunto set my hand at Detroit, Michigan, this 15th day of May, A.D. 1969.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

William E. Kreger, Chairman  
Michael Berry, Vice-Chairman  
Philip J. Neudeck, Commissioner  
Henry J. Galecki  
Acting Secretary and Clerk of the Board

Resolution

Commissioner Berry moved the adoption of the following resolution:

WHEREAS, pursuant to petition and in accordance with the provisions of Section 18, Chapter 4, Act No. 283 of the Public Acts of 1909, as amended, this Board, by resolution dated February 20, 1969, set a date of hearing on said petition and directed a Hearing Examiner to hold said hearing; and

WHEREAS, said hearing was held at the time and place appointed, and the Board has considered the findings of fact as reported by its Hearing Examiner concerning the advisability of absolutely abandoning and discontinuing:

The alley, 20 feet in width — as dedicated to the use of the public in WILLOW HEIGHTS SUB. of part of the S.W. 1/4 Sec. 29, T. 4 S., R. 9 E., Wayne Co., Michigan, as recorded in Liber 57 of Plats on Page 98, Wayne County Records — lying at the rear of or adjacent to lots 145 to 159, both inclusive;

WHEREAS, the premises were viewed in accordance with said statute.

NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above-described county road(s) or portion(s) thereof be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

WHEREAS, said hearing was held at the time and place appointed, and the Board has considered the findings of fact as reported by its Hearing Examiner concerning the advisability of absolutely abandoning and discontinuing:

The alley, 20 feet in width — as dedicated to the use of the public in WILLOW HEIGHTS SUB. of part of the S.W. 1/4 Sec. 29, T. 4 S., R. 9 E., Wayne Co., Michigan, as recorded in Liber 57 of Plats on Page 98, Wayne County Records — lying at the rear of or adjacent to lots 145 to 159, both inclusive;

WHEREAS, the premises were viewed in accordance with said statute.

NOW, THEREFORE, BE IT RESOLVED, that it is in the best interest of the public that the above-described county road(s) or portion(s) thereof be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

WHEREAS, said hearing was held at the time and place appointed, and the Board has considered the findings of fact as reported by its Hearing Examiner concerning the advisability of absolutely abandoning and discontinuing:
